**Ready Now Community Presentation**

**July 27<sup>th</sup>, 2023 @ 6:30 p.m.**

**102 Grace Way, Huntsville**

Since 1958 Adult & Teen Challenge has been a residential-only program. ATC realized there was a growing need to expand its reach beyond residential. When ATC began to develop Ready Now and researched the barriers people face with life-controlling issues, we discovered the 90/40 situation. 90% of individuals cannot or will not enter a residential program. It could be for legitimate reasons, single parents who can't leave their children, or they have a job and can't commit to a long-term residential program. The #1 barrier was that 40% were not ready; we can engage this group of people through outreach.

It is now time to expand our reach and share with the community what **Ready Now** is and how you can reach those within our community.

*"It takes a community to make a community."*

We are extending this invitation to our supporters, local officials, health providers, local non-profits, churches, pastors, organizations, and all our current and future friends. We look forward to an informative evening learning about Ready Now. If you have any questions, please feel free to contact us at 479.738.2068 or the RNR National office at 417.581.2181 Ext 217. Blessings to you and yours,
