

Logging in to the Ready Now Bridge training platform

1 Navigate to <https://non-residential-atctraining.bridgeapp.com>

2 You will need to save the link in step #1 because you will need to use this link each time you log into the Ready Now Bridge training platform.

3 Click here.

4 Type in the email address that you used as your log-in I.D. for Ready Now

5

If you are logging in for the first time, you will need to click on "Forgot Your Password", and then go to your email inbox to find the email for you to set your password. This email may be in your "Junk" folder.

After setting your password, return to the login page for the Ready Now Bridge using the same link you logged in with from step#1, and log in using your email address and the password you just set.
